Nata oltre 40 anni fa dal fondatore Riello Lodovico, la Riello F.lli è un'azienda artigiana specializzata nella lavorazione dei metalli. Inizialmente attiva nel settore dell'arte regalo, in seguito ha poi sviluppato la propria lavorazione nella produzione di articoli funebri. Ciò che da sempre contraddistingue la produzione Riello è la solidità che unita alla lavorazione artigianale e alla dovizia dei particolari ha sempre reso i nostri accessori apprezzati per l'elevato standard qualitativo.

La produzione Riello si sviluppa in diverse tipologie di accessori, quali camere ardenti, urne, croci, maniglie, carrelli, tavolini firme, porta annunci, leggio. Tutto viene realizzato artigianalmente con estrema cura, dalla materia prima al prodotto finito, ciò gli attribuisce un aspetto e uno stile unico che consente all'impresario di distinguersi dalla produzione di massa che rende tutti i prodotti omologati.

Le linee delle croci e delle camere ardenti seguono le esigenze del mercato con prodotti esclusivi, classici e moderni senza tralasciare mai l'aspetto fondamentale: "la qualità". L'impresario che acquista un prodotto Riello sa che in qualsiasi momento può contare su un'azienda seria che garantisce eventuali riparazioni, ricambi e accessori anche di produzioni datate e che è sempre in grado di proporre eventuali restyling o aggiornamenti di prodotti Riello e non solo.
